

# Announcement to CAIR Corporate Partners

March 18, 2020

The Board of the Canadian Association for Interventional Radiology (CAIR) wishes to inform its Corporate Partners that the 2020 Annual Meeting, scheduled May 28-30 in Montréal, Québec, is canceled due to COVID 19.

The Board wishes to take this opportunity to thank Corporate Partners for their ongoing support. This support enables the CAIR to organize continuing professional development programs for its members and to promote the value of interventional radiology treatments throughout Canada. CAIR's numerous efforts to raise awareness about the benefits of interventional radiology are in part made possible thanks to the support of Corporate Partners.

Considering the cancelation of the 2020 Annual Meeting, the CAIR agrees to reimburse an amount of \$5,000 to Partners who wish such an arrangement, as a partial reimbursement of the costs of Corporate Partner status. At the Partner's request, this \$5,000 reimbursement may be applied to the cost of Corporate Partner status for 2020-2021. Please note that the CAIR is working hard to recover some of the expenditures already incurred towards the 2020 Annual Meeting but is fully aware that it will sustain significant losses.
